

Brain teaser #25: Horoscope

Fill in the grid so that every row, every column, and every frame of six boxes contains six different symbols: health, work, money, happiness, family, and love.

Look at the row or column that corresponds with your sign of the zodiac and find out which of the six symbols are important for your today. The symbols appear in increasing order of importance (1-6).

It's up to you to translate the meaning of each symbol to your specific situation.
